Dear St. Margaret's alumnae, friends, and families,

Every year-end prompts reflections and resolutions, whether it is the end of the school year in June or the end of the calendar year in December. While this Annual Report honors all of you who resolved to lend your support to St. Margaret's before the end of the last school year, the gifts you have so generously shared are making a difference right now in the lives of everyone here.

What makes a difference in a person's life? I believe it is finding a place where you belong, learning the power of belief, and becoming who you were meant to be. For most of us this happens most naturally when we surround ourselves with people who challenge and inspire us to be in touch with our deepest values and to pursue our goals with passion and dedication. It is our discovery of our own gifts and the ways we choose to share them with others. It is our acceptance with humility that faith will guide and sustain us, that God has a plan, and we have a responsibility to do our part.

This progression—**Belong. Believe. Become.**—happens every year, every day, in every interaction. In an ever-widening circle, you support St. Margaret's School; we support our teachers; our teachers support our students; our students support each other; and our alumnae return to begin again. Nearly always it begins with finding a mentor, a person who believes in you and supports you in believing both in yourself and in life's possibilities.

I'd like to share several journal reflections from our seniors, so you can see how this is happening here:

*My four years of field hockey have taught me another kind of leadership.*

*I believe everyone must put in some time for reflection. This time is so precious and just as important as the time I spend helping others or studying for a test.*

*I appreciate the spiritual atmosphere of our school. You don't often find that in other schools or places. It's one thing to educate students intellectually, but it's another to educate them spiritually. I appreciate both learning perspectives.*

In our Episcopal school, within and beyond the chapel, each of these girls found faith and belief, guided by another and is now taking that guiding role in supporting other girls. This is so much more than another 21<sup>st</sup> century skill! It is eternal and essential. It is the reason our school was founded. It is the reason why your loyalty matters.

Warmest wishes for a joyous new year. Know what a difference you have made in ours!

With sincere appreciation,

Margaret R. Broad  
Head of School

*a message from the Board of Governors Chair*

CARRIE BALDWIN '81

***"Let us be grateful to the people who make us happy; they are charming gardeners who make our souls blossom."***

***—Marcel Proust***

On behalf of the St. Margaret's community, I am forever grateful to you gardeners who make it possible for our school to blossom! Your generous contributions, time and enduring dedication are the sustenance that ensures the future success of St. Margaret's. Simply put our beloved St. Margaret's could not survive without your abiding love and nourishment and we THANK YOU for your generosity!

On my most recent visit to St. Margaret's, I smiled as I beheld the school in full bloom. Our diverse student body is actively engaged in every aspect of school life while embodying our new tagline; *Belong. Believe. Become.* The talented faculty and staff continue to serve as the bedrock of our institution as they educate young minds and hearts for

life. And, our campus is welcoming and picturesque for all seasons, even in the aftermath of Hurricane Irene.

I am thankful to each and every one of you that care so much about our school. Please know that your contributions make souls blossom and thrive at St. Margaret's. Your act of giving also exemplifies the greatest lesson that we want our students to learn and that is making a contribution to something greater than oneself in life.

Sincerely,

Carrie Baldwin '81

## A MESSAGE FROM THE CAMPAIGN CHAIR *Sarah Belle Parrott '68*

Dear Friends,

As the Campaign Chair for the "Charting Our Course" capital campaign, it is a pleasure for me to report on our progress since the silent phase of the campaign was launched in 2007. As you may remember, the Board embarked on a Strategic Planning effort in 2006 so that we could clearly identify our needs going forward. In that process we identified four key areas that were priorities:

- An athletic complex
- A river plan to include a campus Riverwalk and gardens
- Scholarships
- Endowment

We have been blessed with dedicated campaign committee volunteers and willing donors, and all of us certainly owe them our deepest

appreciation. It is not easy to either ask or give, and we have seen our St Margaret's constituency respond solidly in both cases. As a result we have raised \$2.8 million to date in gifts and pledges – but we're not there yet.

I hope that when the opportunity presents itself, our wonderful St. Margaret's family will respond to the challenge. We all know that we have a special treasure sitting on the banks of the river, and we need to respond to her needs as generously as we can – and then a little more. I thank all for what has been done, and for what will be done together.

Sincerely,

*Sarah Belle Parrott*
