

Dear Parents:

As we work this summer to prepare to open school in September, we are also beginning to think about recruiting for the 2009-10 school year.

For several years, our current families have been a wonderful source of referrals for us. You know firsthand the benefits of a St. Margaret's education and the types of students and families who are a good fit in our community. We would appreciate if you would take a few minutes and give some thought to those you know who don't yet have the privilege of knowing about St. Margaret's! Consider those you know from your church, work, neighborhood, former classmates and teammates of your daughter, etc. **The possibilities are endless!**

As a "thank you" for sending us referrals, we have implemented a reward system for your daughter. For day students, if you refer a family to St. Margaret's, your daughter will earn one hour of community service for each prospective family who actually visits the campus. Boarding students will have the option of choosing one hour of community service, or an additional overnight as our way of saying "thank you"!

Please provide us the names of prospective students on the enclosed form. You can also email them directly to the admission office at admit@sms.org

Thank you for your help in continuing to keep St. Margaret's a strong and thriving community.

Sincerely,

Kimberly McDowell
Assistant Head for External Affairs
